

To the President of the Physical Society of Japan, Shoji Nagamiya

Dear President,

On behalf of the Italian Physical Society (SIF), I wish to express our deepest care and sympathy to you and to all the Members of the Physical Society of Japan who have been affected by the recent earthquake and tsunami.

We wish to join the international physics community in conveying our heartfelt sympathy for all those who have been touched by this tragedy which has caused loss of lives and devastation.

Together with our colleagues worldwide we extend our sympathies to the Japanese people and the Japanese physics community.

Sincerely,

Luisa Cifarelli

President

Italian Physical Society
